A transformation of three core product lines, the Symmons Origins Collection combines high quality with a fresh design for cost-efficient faucets and showers. Powered by Temptrol, this solution provides easy installation and a stylish look.

Available in these
finishes:

Polished
Chrome

Satin Nickel
Radiance® PVD
(STN)

Available for all items
except for the Tri-Star
handle configuration.

We transformed our 3 core product lines into the Symmons Origins Collection.

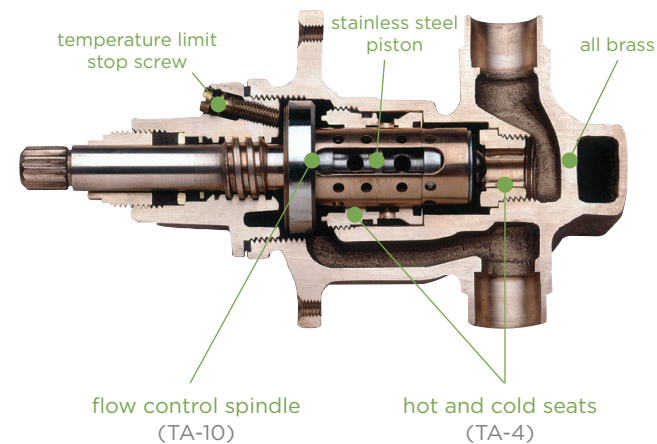

What's New?

- Ease of installation, 30% less trim parts
- Updated, stylish modern look
- ADA hand shower standard
- Coordinating lavatory faucets
- Easy to clean showerhead
- Tri-star or metal lever handle options

POWERED BY
TEMPTROL®

Symmons Temptrol pressure-balancing, anti-scald valve has been long associated with durability and quality. Showers installed in hotels, schools and homes worldwide

share a common trait... they are powered by the Symmons Temptrol valve. The beauty of Origins may cover the superior functionality that resides behind the wall; but it is the Temptrol valve that is the power behind our showers.
