

Birch™

Elegantly Understated

All-new Transitional designs with legendary Symmons quality

The graceful curves, smooth circular elements, and modern touches of The Birch Collection combine to create a clean, comfortable Transitional aesthetic that feels both welcoming and refined.

EXPERIENCE INNOVATIONS

Birch shower systems feature all-new showerheads and hand showers powered by HydroMersion™ Technology for a rich, immersive experience.

OPTIONS ABOUND

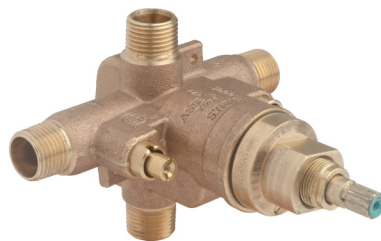

Choose from single-handle, centerset, and widespread bath faucets, and an array of shower, tub and shower, and hand shower options in Chrome or Satin Nickel finish.

QUALITY INTEGRATIONS

Birch faucets incorporate smooth, long-lasting ceramic cartridges and Push-Pop drains for easy installation, cleaning, and use.

Temptrol

At the heart of every Birch shower system is the iconic Symmons Temptrol® valve. Made in the USA, the Temptrol's solid brass, bronze, and stainless-steel design has been the industry leader in pressure-balancing shower safety since 1968.
